Student's Feedback Regarding Syllabus 2020-21: An Analysis

Feedback of the students is an essential component for analysis and improvement in the higher education and culture. Once out of the formal structure, the students can objectively talk about the challenges faced by them the curriculum with special reference to its utility in their studies.

They are required to submit their response to a set of 7 statements on a 4 point Likert scale in which choices range from Excellent (4) to Average (1). The feedback thus received is then analysed by the committee and shared with the Principal, IQAC and the faculty discussion. The analysis of the feedback is given statement-wise and is as follows.

Figures in parenthesis are percentages (%)					
Sl.No.	Statements	Excellent	Very Good	Good	Average
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?	55 (66)	35 (42)	25 (30)	-

Student's Feedback Regarding Syllabus 2021-22: An Analysis

Feedback of the students is an essential component for analysis and improvement in the higher education and culture. Once out of the formal structure, the students can objectively talk about the challenges faced by them the curriculum with special reference to its utility in their studies.

They are required to submit their response to a set of 7 statements on a 4 point Likert scale in which choices range from Excellent (4) to Average (1). The feedback thus received is then analysed by the committee and shared with the Principal, IQAC and the faculty discussion. The analysis of the feedback is given statement-wise and is as follows.

Figures in parenthesis are percentages (%)					
Sl. No.	Statements	Excellent	Very Good	Good	Average
1	How do you rate the syllabus of the courses that you have studied in relation to the competencies expected out of the course?	51 (46)	26 (23.4)	20 (18)	-
2	How do you rate the relevance of the units in Syllabus relevant to the course?	35 (31.5)	45 (40.5)	10 (9)	-
