ONLINE REGISTRATION FOR AGNIVEERVAYU INTAKE 01/2022

Dear Sir,

1. On the onset of launching of the much awaited '**Agnipath Scheme**', for the induction of soldiers into Armed Forces as '**Agniveer**', let me take this opportunity to apprise you about the bright opportunity available for youth of the Karnataka. Indian Air Force, the world's third largest Air Force has released a notification for the students/candidates of Karnataka for online registration recruitment of '**Agniveervayu**' Intake 01/2022. The online registration with renewed terms and conditions will be opened from **24 June 2022 (1000h)** to **05 July 2022 (1700h)**. Further, 7 ASC, IAF Bengaluru is the sole agency to implement the scheme with respect to IAF in the state of Karnataka.

2. Historically, Karnataka has very low representation in IAF. However, there are conscious efforts to enrich this representation from each corner of the state. Towards this, the recent notification of **Agniveervayu** recruitment will act as an impetus and will provide a major boost through concerted awareness campaign undertaken by this Centre. Indian Air Force seeks your esteemed participation in this awareness campaign.

3. Towards achieving the purpose of reaching to maximum youth through your institution, it is requested that, the notification (as enclosed) or gist of it may be displayed on your college website. All faculties placed under your college including NCC ANOs, Placement officers, Sports Instructors and other officials may be directed to disseminate this information so as to reach to maximum students/candidates of your institution.

4. The small efforts of each institution like yours will help us to boost recruitment from the state of Karnataka. It will be our earnest endeavor to promote maximum youth of Karnataka to join as '**Agniveer**' in Indian Air Force.

With warm regards,

Yours faithfully,
Shedge
