**The above table reveals the following:**

**14.80 % SC students**

**9.83 % ST students**

**70.95 % OBC students**

**6.42 % GM students were in the department**

It is noticeable that the college is catering the educational requirements of minority communities especially Schedule Caste, Schedule Tribe and Other Backward Classes who are deprived of higher education.

### **ENTRY LEVEL COMPETENCY & LANGUAGE PROFICIENCIES:**

<b>Min % in previous Exam</b>	<b>Max % in previous Exam</b>	<b>Language proficiencies of the students</b>
15%	40%	English
30%	90%	Kannada
10%	50%	Hindi

This shows that the Department has to strive hard to make the students to acquire competence and performance level with great endeavours. As majority of the students at the entry level do come from Kannada medium as well as rural area and face the problem of comprehending the curriculum due to the lack of communication skills.

### **CONTRIBUTION OF FACULTY IN REDESIGNING THE SYLLABI:**

The syllabi for all the courses are designed by the Board of Studies in English, Karnataka University, Dharwad and are prescribed once in three years. From this academic year New Syllabus has been introduced for all the courses. Dr. D. B. Gavani was entrusted with the designing of syllabus for few classes by B. O. S. of the University and the same was accepted and prescribed by them. Prof. Sateesh. B. Alagundgi , Ms. A. K. Kuri and Prof.Suresh.M.Hosamani have also contributed their views and opinions in incorporating various current topics during workshops and seminars conducted by the BOS and Academic Forum of our University.
